IS IT POSSIBLE TO SOLVE GERMAN PROBLEM?

By KHAZRAT

Looking back at the history of Germany, it appears that the problems of the past are not easily forgotten by the nations concerned. Even today, after several decades of peace and stability, the memory of past events still haunts the minds of many people. The issue of Germany's reunification, which was once a matter of international concern, has now become a complex and sensitive topic. While negotiations have yielded results in other cases, it is uncertain whether they will be successful in this particular situation.

THE LANGUAGE AT A GLANCE

The construction of the Berlin Wall in 1961 was a significant event in the ongoing conflict between East and West. It symbolized the divide between the two parts of Germany and the broader Cold War. The Berlin Wall was built as a barrier to prevent the spread of communism and to prevent Tây Đức citizens from fleeing to the West. The fall of the Berlin Wall in 1989 marked a turning point in the history of Germany and the world.

DEFYING U.N. RESOLUTIONS

There has been a number of cases where certain U.N. members have refused to follow the resolutions and appeals by the United Nations.

Portugal, for example, continued to support its colonial empire. Other countries also adopted their own policies, both in the United Nations and internationally, which often conflicted with the resolutions of the organization.

The Government of the United States, under President D., has been known to defy the decisions of the United Nations and has taken actions that are not in line with the organization's resolutions. This has led to tension and conflict between the United States and other member states.

CIVIL AVIATION'S KANDAHAR TRAINING CENTRE

A Well Equipped Place For Recruiting Technicians

The Kandahar Training Centre, which has been established in Kandahar, is a significant development in the field of civil aviation. The centre is well-equipped and provides quality training for technicians.

The communication lab trains the students practically in control boards and the aircraft in assembly with the latest system. The laboratory training team teaches the operation of the electrical systems and also has an English lab for recruitment.

All hospital facilities are also available at the disposal of the students. The centre has also taken steps to improve the students' housing facilities.

NEW BIRTH CONTROL PILL

PROVES EFFECTIVE ON

3,000 WOMEN IN U.S.A.

PHILADELPHIA, April 20 (AP).- Dr. Celsi-Savari Garcia of the Harvard University Medical School reported on April 18 that a birth control pill has proved effective and safe in 3,000 women studied over the past eight years.

Another physician, Dr. Edward Zadik, of the University of California School of Medicine, said that seven years of studies have shown that the one pill method of contraception is extremely effective.

Both doctors addressed 290 physicians at the annual meeting of the American Preventive Medicine and Public Health Association in Philadelphia. They added that the use of the pill is widespread and effective in family planning.

ZANDI ACCUSED OF SHOOTING ALGERIA'S FOREIGN MINISTER

ALGIERS, April 20 (AP).- A ZANID guerrilla has been accused of shooting Algeria's Foreign Minister, Mr. Boumediene Larcher, in a tragic incident.

Mr. Larcher was shot in both the head and chest while riding in an automobile, allegedly after being hit by a Kaplan's rebel on a motorcycle.

The rebels say they勘 are operating in support of the national movement towards peace in Algeria.

ROCKEFELLER MIGHT MARRY 31-YEAR-OLDA

New York: Mr. Rockefeller, the multimillionaire, may marry his 31-year-old fiancée, Miss Ethel Green, this summer.

The couple was recently seen at a party in New York City, and Miss Green has been wearing a large diamond ring on her finger. The couple has been engaged for several months and is expected to marry soon.

The exact details of the wedding are not yet known, but it is believed to be a private ceremony.

BRUNEL PENSIONS REPORTED TO BE NEGOTIATING WITH Ceylon

BRUNEL, April 19 (AP).- The Ceylon government and the British pensions leaders are reported to be negotiating over pension payments to Ceylonese pensioners living in the United Kingdom.

The talks are reportedly at an advanced stage, and an agreement is expected to be reached soon.

The British government has been paying pensions to Ceylonese pensioners in the United Kingdom for many years, but the payments have been declining in recent years.

SNOW DELAYS U.S. TRAVELERS ON EVEREST CLIMBING

KATHMANDU, April 20 (AP).- A record snowfall has delayed the ascent of the Mount Everest expedition.

The climbers were expected to reach the summit on April 21, but the snowfall has caused delays and made the ascent difficult. The expedition team is now working hard to reach the summit as soon as possible.
Syria Sets Security Courts To Handle Crimes Against Projected Arab Federation

DAMASCUS, April 28 — National security courts with regularized powers were established in Syria on Saturday to handle security matters linked with the projected union of Egypt, Syria and Iraq.

In a decree, Syria's ruling National Revolutionary Command announced the establishment of the courts, which are to have powers similar to those of the regularized security courts of Egypt and Iraq.

The courts are to be composed of members appointed by the government and are to have the power to impose sentences on those found guilty of crimes against the projected union.

Iraqi Delegation To Visit Syria's Truce Line With Israel

DAMASCUS, April 28 — An Iraqi delega tion has been sent to Damascus to discuss the possibility of ending the Israel-Iraq war.

The delegation consists of five members, who are expected to arrive in Damascus on Monday.

The purpose of the trip is to discuss the possibility of ending the war and to sign a joint statement on the subject.

Free Exchange Rates At Da Afghanistan Bank

KABUL, April 28 — The Afghan currency, the Afghani, is now free to be exchanged at the Da Afghanistan Bank.

The bank has lifted all restrictions on the exchange of Afghani, allowing individuals to convert their currency at any time.
