To Sign Test Ban Accord

MOSCOW, Sunday, Aug. 13 (EPA).—The Soviet Government has accused the US of making up "false statements" to the effect that "the Chinese government is not willing to sign the nuclear test ban accord unless the US agrees to it first." They said that the Chinese government had been negotiating with the US and other Western countries on this issue for the past few weeks. The US and other Western countries were also negotiating on this issue with the Chinese government.
