UK Gynaecologist in Kabul

Minister for Health, Mr. Ali Aluru Popi, has arrived here to conduct a medical tour or for a similar purpose.

He has been in charge of the Ministry of Health and has been responsible for the medical education and health services in the country. He is a well-known gynaecologist and has been instrumental in improving the medical facilities in the country.

The purpose of his visit is not yet clear, but it is expected that he will visit different parts of the country to assess the medical facilities and to suggest improving measures.

The Minister has been a strong advocate of women's health and has been instrumental in promoting women's health initiatives in the country.

The Minister's visit is likely to be a positive move for the medical community in the country as he is expected to bring new ideas and expertise to improve the health services in the country.

Mr. Aluru Popi is a well-respected figure in the medical community and is highly regarded for his contributions to the field of gynaecology.

His visit is likely to be welcomed by the people of the country as it will help to improve the medical facilities and services in the country.

The Minister's visit is expected to be a positive move for the medical community in the country and is likely to be welcomed by the people of the country.

The Minister's visit is expected to be a positive move for the medical community in the country and is likely to be welcomed by the people of the country.
AMENDING ELECTORAL LAW: THE LANGUAGE
WHAT KIND OF SUFFRAGE?

So far I have been writing the best possible campaign has been one being carried on in a matter of 'right' and not 'wrongs', for the people want a better life for all. But the best possible is now that the time to start a new life has come. The best possible is now that we have decided what to do when we want the best possible. The best possible is now that we have decided what to do when we want the best possible.

For the best possible, the best possible is now that we have decided what to do when we want the best possible. The best possible is now that we have decided what to do when we want the best possible. The best possible is now that we have decided what to do when we want the best possible.

Pakistan Urged To Stop Interfering
In Halimai Affairs

KABUL, Oct 31—A report from Halimai, the seat of the Halimai District in a province near the India-Pakistan border, says that the Halimai District has been urging the government to stop the Pakistan government from interfering in the Halimai affairs. The report was earlier held by the Pakistan government, which has recently released it to the press.
