Progress Made In Writing Charter For Asian Bank

OFFICIALS from the 21 states participating in the region's Asian Development Bank received today an instruction about the meeting.

General Assembly resolution 1514 reaffirms the importance of the Asian Development Bank to member states. It also states that the bank shall be established as soon as possible as an effective instrument to assist Asian development.

The proposed bank is a developmental one and is expected to be one of the major sources of financial aid to the region.

Pazhwak Addresses UN Assembly

Disarmament Talks

Pazhwak, Foreign Minister of Afghanistan, addressed the UN Assembly yesterday in a speech that reviewed the country's disarmament efforts and stressed the importance of a global approach to peace. The speech highlighted the need for international cooperation in addressing disarmament issues and called for the strengthening of the UN's role in promoting peace and security.

Support for China

Pazhwak also expressed his government's support for China, emphasizing the importance of fostering friendly relations and cooperation between the two countries.

ECAF Executive Believes New Asian Bank Will Speed Far East Development

The ECAF Executive, a prominent banker, believes that the new Asian Bank will accelerate development in the Far East, stating that it has the potential to provide much-needed financial assistance and support for regional economic growth.

Gemini-6 Mission Postponed After Agena Target Lost

The launch of the Gemini-6 mission has been postponed due to the loss of the Agena target. The mission was scheduled to be launched by the end of the month, but now it appears that the target was not accurately positioned.

Sculptures Found At Hadda

Over 3,000 sculptures have been discovered at Hadda, a site north of Kabul which was once a major hub of trade and commerce. The sculptures include various representations of historical and cultural significance and are being studied by archaeologists to gain a deeper understanding of the region's past.

Nangarhar Project

Nangarhar has a rich tradition of producing rice and fruit. The province's climate and soil conditions are ideal for agriculture, and its produce is highly sought after.

Nangarhar Plan

Nangarhar project aims to provide electricity from a hydro-electric project that will be built on the Kabul River. The project will help meet the growing energy needs of the region and promote economic development.
