

Links for Finding Census Information

www.census.gov

- [2010 Census Population Finder](#) --- From **census.gov** home page, click on **Population Finder** (lower left hand corner) and select **State** then click on the **Areas Within Box** to choose county, place, Congressional District, or American Indian Areas. (Hint: if you select Counties, you can then select census tracts to display.)
- [State/County/City Quick Facts](#) --- From **census.gov**, click on **Quick Facts** (left hand side) and choose a State and then select county or city from the pull down screens at top of page. Click on **Browse Data Sets** for additional information.
- [2010 Census Community Profiles \(Basic Data\)](#) --- From **American FactFinder**, use **Quick Start** (middle of page) and in the **Topic Box/Table Name** box type **2010 DP-1** and then type the community name in the **Geography** box (example, Lancaster County, Nebraska or Lincoln city, Nebraska) and hit **GO** button then click on the **DP-1** to view the 2010 Census profile.
- [2010 American Community Survey Profiles \(Characteristic Data\)](#) --- From **American FactFinder** (AFF can be found under the "Data" topic at top of home page or at bottom of home page under "Find Data"):
 - Click on **Topics Arrow to Open** > click on **Product Type**> select "data profile" and send it to **Your Selections box** and then click on **Data Set** > select the **ACS data you want to use (1 year, 3 year, or 5 year)** and click it into **Your Selections box** > close the **Topics box** by clicking on the **X** (upper right side)
 - Click on **Geographies Arrow to Open** > type the name of the community in the **write-in box** (example, Lancaster County, Nebraska or Lincoln city,), click **GO** and then select it from the **Geography Results** by clicking on it and sending it to **Your Selection box** > click on the **X** on the upper right side of the **Geography Filter** to close and view your tables
 - Click on all the tables you want to see **DP02** (Social), **DP03** (Economic), or **DP04** (Housing) and click **View**
- [Local Employment Dynamics](#) --- From **census.gov** home page, click on **Local Employment Dynamics** link (in dark blue box at bottom of page under the Business & Industry topic heading) > choose **Tools** (on top left-hand side) > select **QWI online** for job gains and losses and select **Industry Focus** for top industries in local area.
- [Latest Economic Indicators](#) --- from **census.gov**, click on **US Census Bureau Economic Indicators** (top right of page) to view all the latest economic indicators.
- [Most Used Tip](#) --- if you want to go back to the home page at **census.gov**, just click on the **Census logo** (upper left-hand side of page).
