\* The 2000 Census values here reflect revised counts after the completion of the Count Question Resolution Program and will differ from other published 2000 Census counts. The 2005 estimate is the post 2010 vintage, reflecting adjustments made to the annual estimates per the results of the 2010 Census. 2010 Census values are those originally released, and do not reflect any changes made per the Count Question Resolution Program. 2011 values are the 2011 vintage estimates.
